## 6th Annual Hawthorne Invitational Golf Classic

The 6th Annual Hawthorne Invitational Golf Classic, presented by the Hawthorne Chamber of Commerce, is one of the main fundraising events held each year to support the Chamber's many community activities. This year, the event is on September 17, at the Rio Hondo Golf Club

**Every year, we raise money at this fun event to support the community, and this year, the need is greater...**

More than ever, sponsorships are important sources of support for our community families, so we can provide food and financial resources for our neighbors.

With high unemployment and continued economic uncertainty, even more families will likely experience food insecurity, and we want to be a resource for them, so **we need your help!**

**We are asking local businesses and Chamber members to help fund our efforts, through event sponsorships.**

A portion of your sponsorship fee goes directly to programs that benefit our community members. There are multiple sponsorship levels to choose from, to fit every budget. And this year, we've added a "Virtual Visibility" category, since some businesses may not be able to send golfers to participate, but still want to enjoy the visibility and community good will that comes with sponsorship.

Placement in our event programs, and recognition at our Awards Dinner will help provide the positive image and marketing message of being 'a good neighbor business' that supports the community.

Foursomes will enjoy an outdoor luncheon, and tee off at noon, for a great day on the course. A socially distant Banquet Dinner follows, with awards and recognition. For our sponsors, it's a great way to show their support for the community even in a challenging year – building relationships that help grow your business.

The Chamber is encouraging corporate sponsorships as a way to support our ongoing community work, with options available at multiple levels. **No contribution is too small!** Sponsorships offer a great way to promote your business, with positive visibility as a leader in the community. For those who golf, the event is a good way to share some quality time with friends, co-workers, or business partners.

**The Chamber, and our Community, appreciates your support of this event.**

**Thank you, in advance, for your help!**
